Greetings,

See the attached spreadsheet regarding funding ratios. The requested information should be submitted by **September 6, 2019**. I have attached a sample for you. The information should be submitted on the attached spreadsheet.

1. On line one please indicate the number of support staff that are paid for with the **GNETS state or federal grant** for your program. Do not include support staff that are paid for as in-kind services from LEAs.
2. Regarding the social workers, please indicate if the social worker is certified as a MSW/LCSW.
3. Please provide the number of teachers and paras at each site and list if they are paid for with the GNETS state or federal grant

If you have staff providing therapeutic interventions other than BCBAs/Behavior Coaches (i.e. counselor, LPC) please provide that information in column J. For the highlighted areas no information is needed. Let us know if you have questions.

Thanks!
